Play, Mates

Life at a Playmate photo shoot isn't all closed sets and tropical locales. Sometimes the situation calls for sailing the open seas or hitching a ride on a dogsled through the tundra, or for leaving the safety of a boudoir setting and getting down and dirty with a little mud wrestling. Here we present just a few of our favorite shoots with Playmates who aren't afraid to break a sweat. We start off with Miss March 1981 Kymberly Herrin as she rides the waves and then unwinds on the beach. From there we limber up with Miss February 2001 Lauren Hill on the gymnastics mat, take a serene fly-fishing trip, hit the links and even find time to keep watch at a lifeguard tower. As the sign says upon entrance to the Playboy Mansion, PLAYMATES AT PLAY.
